It's been a while since ...

The last time I've seen clear sky ...

It looks so peaceful ...

It feels otherworldly ...

Um ...

I ...

Ah ...

Could you share ...

the beer ?

Thanks...

.....

There used to be crickets singing at night here...

I am not hearing anything now though.

Aren't you curious ?

?? Pardon ?

The outside ...

Why aren't you asking me ?

Well, I figured...

That you have a story, so ...

Yeah, yeah, you are such a nice guy...

Mister...

It was...

I am not that old yet

It was hell, literally

Every day was hell

.....

You don't have to tell me

I need to

You have right to know

Before, it happened,

I was walking on a street with my boyfriend

I daresay I was having fun

And then...

It happened. It just happened.

Very loud ...

Sound ..

When we finally managed to look up...

There was this ...

strange mushroom like cloud

Red flaming mushroom cloud over a mountain..

6 A week ago

The Isle

Perhaps it was sheer panic...

Everyone was running in the opposite direction of the mushroom cloud.

Some fell but people ran over them

The city fell into complete chaos

Was it North Korea ?

I don't know ... We had no way of finding out.

No TV, no radio... no electronic devices worked ...

Once the chaotic night was over ...

The city became completely lawless.

What seemed to be gang members roamed.

I saw them even beat up policemen ..

And then a while later ...

Rain pour:d down ... It was hissy rain.

Rain of death..

It was when ...

Real hell began ..

Those who didn't avoid rain start to literally melt down.

A lot didn't expect that. so it was .. death everywhere.

Once rain stopped. the streets reeked death

Some did survive the rain.

But was it pain ... ?

They became very violent ...

Violence and rape was occurring everywhere and

We had to keep on running..

In a day or two, where we ended up was shore of Incheon.

And then ...

We were surrounded by a group...

They were chasing us systematically and finally got us.

And then ...

And then ...!

S, spare me, brothers!

You can have the woman!

U... drinking? What did you just...

She looks young and is young!

It may not look like it but she does have a nice body as well! Good to play with!

How ...

Just to save his skin ...

How cute ...

I, just ... ugh! How could he!

Can you understand, him?

How ...

... Sigh.

I guess I was very lucky ...

I escaped somehow.

But only because I happened to hear sound of a motor boat...

If not...

Then I would have been dead.

I would have probably been better off.

Dead ...

Cheer up.

Don't worry now.

I will protect you from now on.

Get your hand off me! Who do you think you are?!

You have no right to make such a statement to me!

Even my boyfriend betrayed me like that!

How could I possibly trust you?!

Zi Yuan!

Hah, oh well...

I did mean what I said when I said I was going to protect her.

I wondered why

Why?

Feelings? Or just sympathy?
